DEATH OF CAPT. S. M. DERDEN.

End of an Active and Useful Career.
A Good Man Gone.

Capt. S. M. Derden died at his home in this city yesterday afternoon at 2:40 o'clock after an illness of several months, during which he suffered greatly, but with the utmost courage and fortitude. Every effort was made to restore him to health, but his strength gradually failed until he yielded to dissolution.

Capt. Derden was born in Choctaw county, Miss., July 11, 1840, and his age was 65 years, 6 months and 26 days. He came to Texas and settled in Hill county in 1856, and subsequently lived at Palestine, Anderson county, and in Grimes county, before coming to Brazos county thirty-one years ago.

Capt. Derden was liberally educated and was throughout his life a man of strong character and influence. In early life he was engaged in the newspaper business, and later for many years in merchandising in Bryan. He also served Brazos county faithfully and efficiently as county clerk a number of years ago. In his later years he was a capitalist and stock farmer, and active in giving personal attention to his business affairs until confined to his home by illness, and even then almost to the last by personal direction. He was always among the foremost in local affairs and enterprises and held many positions of trust and responsibility in this connection. He also enjoyed a wide acquaintance in the State and was much esteemed at home and abroad.

Capt. Derden was a member of the Methodist church and a Mason, affiliating in the lodge, chapter and Ivanhoe Commandery Knights Templar. He was also a member of the A. O. U. W. and Knights of Honor. He was a gallant soldier in the service of the Confederacy, and a member of Camp J. B. Robertson, U. C. V.

Capt. Derden was twice married and leaves a wife, four children, Mrs. L. L. Chance, Ed S. Derden and Milze Derden of Bryan and W. I. Derden of Cleburne; also three step children, Mrs. H. R. Davidson of Cleburne, Mrs. J. W. Boyd of McGregor, and Mrs. Jack Josey of Beaumont. He was a brother of W. L. Derden of Corsicana, and leaves a half brother, T. W. H. King of Rusk, and three half sisters, Mrs. Walker of Ennis, Mrs. Martin of Palestine and Mrs. J. F. Cook of Waco.

He was a good man and a worthy and upright citizen, and served faithfully and well his day and generation. He was always outspoken in his opinion and active in the support of any cause he espoused. He pressed forward to the attainment of a purpose with unwavering energy and zeal. He has long been a familiar figure in Bryan, and his memory will ever be cherished in the hearts of the people of this city, who deeply sympathize with his bereaved family.

The funeral service will be held at the home this afternoon at 4 o'clock, with interment following under Masonic auspices.

ATTENTION, CAMP J. B. ROBERTSON.

All members of the Camp who can will meet at the residence of Comrade S. M. Derden at 4 o'clock p. m. today (Feb. 7) to attend his burial. By order of

B. F. Leman,
W. G. Mitchell, Commander.
Adjutant.

ATTENTION, MEMBERS BRAZOS UNION LODGE.

Members of Brazos Union Lodge, No. 129, A. F. and A. M., will meet at the lodge room this afternoon at 3:15 o'clock to attend the funeral of our brother, S. M. Derden.

DESIGNATED A FAKE.

Congressman Grosvenor Scores the Rate Measure.

TEN OTHERS TALKED

Ohioan Said the Bill "Was Born at the Dawn of a Political Millennium and Angels Sang the Same Tune."

Washington, Feb. 6.—Considerable fault was found with the railroad rate bill in the house Monday, considering the fact that it is a measure of both parties.

Mr. Littlefield of Maine opened the day with a whirlwind speech, in which he pointed out what he termed the drastic and far-reaching effect of its provisions. The committee, he said, had gone much further than the president had recommended, and much further than he was willing to go. He would not vote for the bill. The bill provides seven commissioners, and made four a quorum, and it was possible for the president to remove three and leave all the power in the majority of the remaining four. It would be then that this dangerous power would rise up and curse its makers. Mr. Stevens of Minnesota, following, said the huge and awful things predicted were not contained in the bill.

Mr. Grosvenor of Ohio ridiculed the alleged popular demand for the legislation, picked flaws in the construction of the bill, complained because no amendments were to be allowed, and concluded with the statement that he should do his best to get the bill out of the house at the earliest possible moment, which was taken to mean that he would vote for it. He said it was not true that there was any popular demand for the railway legislation. What there was had been manufactured out of the whole cloth in congress. There never had been such a "fake" issue launched. Rebates constituted a legitimate complaint.

"This bill," said Mr. Grosvenor, "was born at the dawn of a political millennium. All the angels sang together the same tune the day it was."

He said by very cute language the bill left out sleeping cars, and asked why not put it in the bill plainly.

Ten other speeches were made, all of them by members who will vote for the bill, but some of whom would like opportunity to amend the measure.

Mr. Gaines of Tennessee has an anti-pass amendment, which he will bring forward at the proper time.

DOLAN DENOUNCED.

Resolution Asking Him to Resign, Did Not Prevail, However.

Pittsburg, Feb. 6.—After a day characterized by disorder, hisses and cat calls, with frequent demands to "re-sign," the delegates of district No. 5 of the United Mine Workers' union, in convention, failed to pass a resolution calling for the resignation of President Patrick Dolan, the president of district No. 5, for his action in voting with the operators in Indianapolis to sustain the present wage scale. After several hours of discussion upon the resolution, which the chair refused to recognize, the convention adjourned until Tuesday morning, after passing a resolution to appoint a committee on resolutions, consisting of five members. Through the entire day Dolan was attacked from all sides, and his attitude in Indianapolis was the object of much criticism and censure.

SENATE BILLS PASSED.

Mr. Lodge Objected to Present Consideration of Statehood Bill.

Washington, Feb. 6.—Senate passed the following bills Monday: Regulating the drawing of jurors in Oklahoma; establishing additional recording districts in Indian Territory; reorganization of the dental corps of the army; regulating payment of expenses of the trials of the Indians committing offenses against state laws.

When the statehood bill was reached on the calendar Mr. Lodge objected to present consideration.

Shock Too Much.

Chattanooga, Tenn., Feb. 6.—The mother of Hugh Keith, the fifteen-year-old boy arrested for burglary here, when notified by telephone of her son's trouble, received such a shock that she died three days later in consequence. They will send the boy to the state reform school.

Mailed Sentence of Death.

Kieff, Feb. 6.—Many Jews have received by mail sentence of death in the name of the Pan-Russian League in Defense of the Holy Cross. A great panic prevails among the Jewish population, which is expecting a renewal of the Anti-Jewish excesses.

Postmasters Confirmed.

Washington, Feb. 6.—Among postmasters confirmed by senate Monday were: Indian Territory: A. Asbam, Checotah; N. L. Eggleston, Minco, Texas; H. E. Kinslie, Corsicana; R. C. May, Leonard; N. Leavitt, Stamford; F. C. Blaine, Del Rio.

THE MORNING EAGLE

Entered at the Postoffice as second class mail matter

Per Week, 15c - - Per Month, 40c

BY CARNES & WALLACE

BRYAN, TEXAS, FEB. 7, 1906

ANNOUNCEMENTS

The Eagle is authorized to announce
J E BUTLER

as a candidate for Mayor of Bryan at the ensuing city election in April, subject to the action of the city democratic primary to be held Tuesday, Feb. 20, 1906.

NEED OF AN OIL MILL.

The Eagle has frequently alluded to the need of an oil mill since the loss of the local mill by fire. The past year has been a strong object lesson in this regard, and there is probably not a man in the town or county who is not aware, to a greater or less degree, of the loss and disadvantage the people of the town and county labor under without a mill. To begin with there are probably unmarketed 3000 tons of cotton seed, which have been held, and which would have been sold with a mill here. This means about \$36,000 withheld from circulation in the county, or in this immediate section. The consumers of hulls have paid \$2.00

per ton more for this product, and consumers of meal \$5.00 a ton more the past year because we have no local mill. Added to this it is claimed that seed has brought \$2.00 a ton less here the past year for want of a home mill. When all these things are calculated and summed up it will be seen how enormous the loss has been and how generally it has fallen upon the people of the town and county. The Eagle believes the time has arrived when definite steps should be taken to secure another mill, and further believes that when it has been secured it will have more generous support than ever before. The object lesson of the past year has been costly and convincing.

CITY PRIMARY ELECTION ORDERED.

The executive committee of the democratic party of the city of Bryan, at a meeting held this, the 6th day of February, 1906, to determine the manner of selecting a candidate for the office of Mayor and two candidates for the office of Alderman of said city, do order a primary election to be held for the selection of said candidates on the 20th day of February, 1906, and as a test for the candidates who participate in said election provide the following: "I am a democrat and hereby declare that at the last general election of the democratic party I voted for

the nominees of the democratic party from president to constable, and that I pledge myself to vote for and support the nominee of this primary election." And the test for the voter shall be that "I am a democrat and pledge myself to vote for the nominees of this primary election." J. W. Batts is appointed presiding judge of said election.

Chairman.

BEGGAR PRINCE OPERA COMPANY

Considering the very bad weather of last night, a large and appreciative audience greeted the "Beggar Prince" Opera Company on their return date. To merely say that the audience was well pleased would be putting it rather lightly. Judging from the spontaneous applause, Mr. Wade and his company have lost none of their ability to please since their last appearance.

Mr. Wade took the part of the forlorn and unhappy Prince in a capable manner. Mr. F. O. Burgess who took the part of Rocco, the "grand chamb-rlain," is a very close second. Miss Gertrude Hutchinson, the charming prima donna, captivated her hearers and won many compliments. Miss Beatrice Fisher as Tiametta has a voice of good quality and sweetness.

Mr. J. C. Taylor, the bashful Pip-pi, has a tenor voice of wonderful quality and range, and Mr. Wade is to be congratulated upon possessing a man with such ability.

Mr. F. W. Cleveland as Freddie made many friends with his wonderful conception of popular song singing.

Tonight "Olivette" will hold the attention of, we hope, a much larger house than last night.

The house was warm and comfortable, and will be made so again tonight.

The management of the Bryan Lyceum begs to call attention of subscribers to the entertainment Thursday night at the opera house, and urges every ticket holder to be present if possible. Mr. Brush is an artist in every sense of the word, and you will miss a rare treat if you fail to see and hear him. This is not a lecture. The program will be interspersed with music by Forney W. Clement. This attraction has made an universal "hit."

W. C. Davis, Manager.

MISS ANNIE LAURIE TAYLOR.

Miss Annie Laurie Taylor, daughter of Mr. and Mrs. R. S. Taylor, died at the family home in this city at 8 o'clock last night after an illness of about three weeks. She was 20 years old, and was born in Madison county and reared in Bryan. She was a young lady of lovable character, and held in much esteem by all who knew her. She was converted at the recent revival meeting held at the Baptist church, and intended uniting with this church, but her illness prevented her from carrying out this purpose. Besides her parents, she leaves four sisters and a brother, and other relatives. The sympathy of all goes out to the bereaved family. The funeral arrangements have not been announced.

FOR MAYOR.

The Eagle is authorized to announce Mr. J. E. Butler as a candidate for mayor of Bryan at the ensuing city election in April, subject to the action of the city democratic primary Tuesday, Feb. 20, 1906. Mr. Butler is a native of Eutaw, Ala., and has resided in Bryan 22 years. He is widely known as one of the leading lawyers of this section of the state, and has long been active in the work and councils of the democratic party, and is now serving as chairman of the executive committee of the Twentieth judicial district. Mr. Butler has never held an office of any sort, but has at various times served the city as attorney. He is thoroughly familiar with all the affairs of the city, fully identified with local interests, and in every way qualified for the duties of the mayoralty.

Died in Chair.

Cooper, Tex., Feb. 6.—R. D. Bennett, a prominent citizen of Cooper, was found dead sitting in a chair in the mayor's office. The deceased was an ex-mayor of the town and had served as district clerk of Delta county. He was a native of Mississippi, and was about forty-two years old.

Senator In a Stupor.

Washington, Feb. 6.—Symptoms of peritonitis developed Monday in the illness of Senator Heyburn, and the senator was in a stupor all the afternoon. Out-of-town relatives have been summoned by wire.

International Celebration "Doted by the Rio Grande"

Many years ago the citizens of Laredo, Texas, and Nuevo Laredo, Mexico, conceived the idea of fittingly celebrating George Washington's Birthday February 22, by suitable "Mexican-American" fiestas, and from a small source this has grown to a magnificent Annual Event unsurpassed in its splendid surroundings and interesting particulars by anything of a similar nature ever held in Texas.

International in its character, located on the border line between the Great Republics, occurring at a season of the year when business cares press lightly, and at a time when weather conditions in that locality are ideal, this event offers unsurpassed inducements to the pleasure seeker.

This year the celebration will consist of five days' continuous festivities, February 21st, 22nd, 23rd, 24th, and 25th, and the program will comprise many new and interesting features, among which may be mentioned Famous Spanish Bull Fights, Cattle Roping Contest, Naval Fire Works on Rio Grande River, Gen. Washington Crossing the Delaware, Military Drills, Historical Pageants, and Trades Display, Flower Carnival, U. S. and Mexican Bands.

For this occasion low excursion rates will be in effect to Laredo, also for the benefit of those who desire to see more of Mexican life and customs arrangements have been made for the sale of excursion tickets to Monterey, Mexico, with ten (10) days' limit, permitting stop-over at Laredo to witness the International Celebration.

For further particulars, call on ticket agents, or write,

GEORGIAN CONFESSES

Party Was Formerly a Baggage-master and He and Many Articles Located at Louisville, Man Being Arrested.

Louisville, Feb. 6.—Two thousand dollars' worth of stolen goods packed away in a trunk were discovered by detectives in a room on Broadway and Walter E. Bowen, twenty-four years old, son of a former mayor of Pelham, Ga., is in jail charged with being a suspected felon and fugitive. He confessed to having stolen goods while employed as baggage master on the seaboard Air Line road between Atlanta and Monroe, N. C. While his wife was being questioned at the detectives' office she was asked to remove from her hat a handsome white plume. She is eighteen years old, and her parents live at Jacksonville, Fla. She said she never dreamed that her husband was a thief. She asked to be allowed to spend the night with him in his cell, but was finally persuaded to return to her boarding house.

CLERGYMAN FOUND DEAD.

Head of Two Banks and Was Object of Investigation.

Peoria, Ill., Feb. 6.—Rev. Geo. H. Simmons, pastor of the First Baptist church, president of the Interstate Savings bank and the People's Savings bank, had recently appointed manager of Yates' senatorial campaign in Peoria county, was found dead in bed. He has been the object of an investigation at the hands of the state's attorney, the two banks, and his congregation on grave charges. It is alleged to be a case of suicide.

The People's Savings bank, of which Simmons was president, in the workmen's quarter of the city, did not open its doors Tuesday. Cashier Look said it would remain closed until some future action was determined on. There was a run upon the bank Monday, and this morning a large crowd surrounded the building clamoring for their money.

The Interstate Savings bank, of which he was president up to Monday, when his resignation was accepted and E. G. Heidrich elected in his stead, was also the object of a run Monday. Early Tuesday the bank building was crowded with depositors demanding their money. Cashier Anicker said they would be able to stand the drain.

Dr. Simmons came to the First Baptist church five years ago from Terre Haute, Ind., and had been remarkably successful. He secured national publicity a few years ago by advocating the dramatization of the life of Christ. He became local manager of the senatorial campaign of former Governor Yates a week ago and shortly after serious stories affecting his morals were circulated. State Attorney Scholes undertook an investigation Monday and secured some sensational confessions from boys of his congregation.

Dr. Simmons, who was forty years of age, leaves a widow. He held charges in Texas, Jackson, Tenn., and Louisville, Ky., before coming here.

ANSWER AN INSULT.

Congressman Gillespie So Signifies Reply of the President.

Washington, Feb. 6.—Mr. Gillespie of Texas, author of the resolutions regarding the alleged Pennsylvania railroad combination, answered Monday by the president, declared on the floor of the house Tuesday the answer was an insult, that with the great machinery at hand a complete investigation of actual conditions should have been made. He said such an investigation would show that railroads carrying bituminous coal to Atlantic ports are the Pennsylvania, New York Central, Baltimore and Ohio, Chesapeake and Ohio, Norfolk and Western and Reading. He asserted an investigation would show there has been an allotment to each coal carrying road of certain territory to prevent competition to markets by means of rate adjustments, agreements and combinations, also that Pennsylvania and New York Central, by means of their stock ownership arrangements, have prevented coal from territory of the Norfolk and Western and Chesapeake and Ohio being offered anywhere above Virginia Capes, also that the Pennsylvania company has power to curtail shipments from territory served by the Baltimore and Ohio and Chesapeake and Ohio and Norfolk and Western, also that the Baltimore and Ohio declined to allot a fair proportion of cars to independent shippers or to allow independent companies to open up new mines and become shippers on the line of the Baltimore and Ohio; also that an investigation would show that the Pennsylvania railroad and its officers were interested in coal companies shipping over its lines.

Mr. Gillespie has prepared a resolution, which he introduced, requesting the president to direct the interstate commerce commission to make immediate investigation of all these charges.

TOOK NO ACTION.

Commissioner Made Effort to Have Lumber Rate Taken Up.

Austin, Feb. 6.—Commissioner Colquitt Tuesday made a motion before the railroad commission that the lumber rate proposition be taken up at once for action. The matter has been under consideration since the hearing held last month and Commissioner Colquitt is anxious to dispose of the matter. No action was taken on motion.

The railroad commission gave notice of a hearing for Feb. 20, at which time it will take up and consider the proposition to real just rates on salt in carload lots between points in Texas. Texas Baptist University of Dallas, no capital stock, filed its charter. Purpose is to establish an institution for Christian education. Incorporators: S. J. Anderson, S. H. Slaughter and A. S. Latter Turned the Weapon Upon Himself but Wound Slight.

Singleton, who was twenty-two years old, was a waiter in a local restaurant, and Walker a bartender. The tragedy occurred in the men's room on Travis street. The only statement of the affair was a remark made by Walker that he had raised Singleton and what he (Singleton) had done to him had been a plenty.

DUTY PAID.

It Is Denied That Stewart Smuggled Wine Into Galveston.

Washington, Feb. 6.—The German embassy received a report denying the alleged attempt at smuggling by a German training ship which recently visited Galveston. The report says the steward of the vessel disposed of 250 bottles of white wine to a local saloonkeeper, but the collector of customs was duly notified of the transaction and the duty on the wine paid.

Dowdy wrapped a blanket around herself and rolled over and over on the floor, but still injuries were inflicted that leave but little hope for recovery. She was horribly burned about the body. IMPORTATION OF ARMS.

St. Petersburg Paper Says a Finnish Revolt Is Probable.

St. Petersburg, Feb. 6.—The Novoe Vremya Tuesday continued its revelations in regard to importations of arms into Finland. The paper declared it is evident the revolutionary organization in Finland is preparing for open war in support of the next outbreak of the Russian revolutionists. Not only all armed infantry forces are being drilled, but horses fit trained for cavalry and artillery service, and shells for field artillery are being imported.

The statements of the Novoe Vremya are undoubtedly correct so far as Finnish extremists are concerned, but Nationalists and even Social Democrat organizations disclaim any connection or even sympathy with violent measures.

FARTLY CONFIRMED.

General Who Is Prominent May Be Viceroy in the Far East.

St. Petersburg, Feb. 6.—Reports which have been in circulation several days to the effect that General Grodekoff, who was governor of the Amur territory during the Boxer uprising, and who became noted for ruthless measures in restoring order in the Amur region and in Manchuria, will be appointed viceroy in the far east, with command of land and sea forces, is semi-authoritatively confirmed. General Grodekoff, who is sixty-two years old and a member of the council of the empire, left St. Petersburg last week for Harbin.

General Linevitch, commander of the Manchurian armies, will probably retire. His name has been mentioned in connection with the viceroyalty of the Caucasus.

San Francisco, Feb. 6.—General Funston, commander of the Department of California, has made known his intention of writing to the war department to suggest that congress be asked to pass a bill appropriating \$10,000 each to the families of Captain Charles Dakin and Roseman Thomas Hennessy, both of engine company No. 4, who gave up their lives in the fire on board the army transport Meade early in the morning of Feb. 1.
